Pointe Claire, QC H9R 1A9  
Canada

Subject: ASME Certificate of Authorization 'U' #29838 to Perform Code Activities at Additional Building Location

Address: 173 Oneida Drive Pointe-Claire, Quebec, H9R 1A9 Canada

Dear Denis Michaud,

ASME has approved your request to use the additional building located at the above address to operate under the QC Program describe in your QC manual.

Any Code work performed at the additional building with this letter shall be noted in the Remark Section of the Manufacturer's Data Report. The address appearing in Item #1 of the Manufacturer's Data Report will be the address appearing on the Certificate of Authorization under which the additional buildings are operating.

At the time of the renewal of your Certificate of Authorization you will need to fill out a Supplemental Application listing the additional shops so adequate time can be allotted to conduct the renewal review. Upon completion of the renewal process, the certificate transmittal letter will indicate the approved additional building in the subject line.

Please feel free to contact me if you have any questions or concerns.

Regards,

Patrick Murray, Secretary  
Committee on BPV Engineering Operations
